Office Terms and Definitions

Total SF: Office inventory includes all multi-tenant and single-tenant buildings. Government and university owned and occupied, as well as medical buildings, are not included.

Office Building Classifications: Greenleaf Properties follows the BOMA guidelines. *Class A* Buildings are the most prestigious buildings competing for premier office users with rents above average for the area. Buildings have high-quality standard finishes, state-of-the-art systems, exceptional accessibility, and a definite market presence. *Class B* Buildings compete for a wide range of users with rents in the average range for the area. Building finishes are fair to good for the area, and systems are adequate. *Class C* Buildings compete for tenants requiring functional space at rents below the average area.

Vacancy: The vacancy rate is the amount of physically vacant space divided by the inventory.

Asking Rent: The dollar amount asked by landlords for available space expressed in dollars per square foot per year. The asking rent is weighted by the amount of available space in the building.

Greenleaf Properties is the leader in commercial real estate market knowledge and research in Lincoln, Nebraska. The Market Report is a quarterly market report that includes trends in vacancy rates, absorption rates, asking rents, building permits, and notable transactions.

Greenleaf Properties employs a full-time market analyst who tracks the market using a variety of tools and resources on a daily basis. In addition to utilizing information available on the subscription sites Costar, CCIM's Site to do Business, and MRCIE, Greenleaf maintains multiple in-house databases using Realnex. The powerful Realnex set of databases allows us to:

- Track occupancy in over 10,000 commercial properties in the Lincoln, NE greater statistical area.
- Maintain our own Sales Comparisons database by inputting property transfers from the Lancaster County Assessor in real time. Greenleaf tracks multi-family, retail, office, industrial, hotel/motel, fast food, convenience store, and unimproved land transfers.
- Maintain our own Lease Comparison database sourced from in-house deals, closed transactions on Costar, LoopNet, and MRCIE, as well as by reaching out to property owners and tenants.
- Track all property owners in Lancaster County across all use types.
- The comprehensive, real-time information we maintain in Realnex sets Greenleaf Properties apart in terms of local market expertise. In addition to producing the Green Report, the Realnex databases allow our agents to have the most accurate and up-to-date market data when working with clients.

Absorption: Refers to the change in occupancy over time. Net absorption is the sum of square feet that became physically occupied minus the sum of square feet that became vacant minus the amount of new space delivered to the market during a specific period,
